

Bend-Redmond
Habitat
for Humanity®

We build strength,
stability and self-reliance
through shelter.

We build more than houses...

Habitat for Humanity

Our Vision

A world where everyone has a decent place to live.

Our Mission

Seeking to put God's love into action, Habitat for Humanity brings people together to build homes, communities and hope.

- Founded in 1976 by Millard Fuller
- Over 1100 Habitat affiliates in US
- Active in more than 70 countries around world
- Building new homes – low interest mortgages
- Home repair, disaster relief, and global village trips

Homeownership Criteria

Potential Homeowners

Identifiable need

- Substandard housing
- Unaffordable rent
- Disability

Agree to partner with us

- 150 Partnership hours
- 100 Donated hours
- Homeownership and Financial Management classes
- Purchase the home reduced mortgage costs

Earn between 40-80% of the Area Median Income

How the program works

- Family selection
- In the program 12-18 months working towards homeownership
- Family classes
- Partnership hours and donated hours
- Variety of housing types
- Mortgage based on family income

Homeownership changes lives!

- Likelihood of graduating high school increases from 72% to 92%
- 116% better chance to attend college
- 50% better chance for a 4 year degree
- 40% less chance of teen pregnancy
- Net worth increases (avg) to \$105K from \$5K
- 74% report better health
- Almost without exception, asthma improves

Additional statistics:

- Habitat homeowners have paid over \$1.7 million in property taxes.
- Habitat has spent more than \$13 million to build, renovate, and repair homes.
- The direct economic impact of our building activity in this community exceeds \$86.9 million.
- The total assessed value of our investment in this community exceeds \$36.4 million.
- 75% of the families served are single parents
